# East of Eden

.....  
East of Eden is published by John H. ('Jack') Masters,  
25711 North Vista Fairways Drive, Valencia, CA 91355.  
(805) 259-2811.

EoE is rather full this issue from game results alone.  
1980KJ "V.I.P." results are not included here but will be  
in Black Frog #43, going out in a couple of days.

I have a minor problem in typing once again. Remember  
back in April when I disjointed my finger? Well it never  
healed up quite right and I had to have surgery on it yest-  
erday. I had a cyst that formed in the first joint removed.  
A rather minor operation, but I have five stitches right  
across the joint and the finger is out of operation for  
typing for a few days. A greater problem, in terms of  
getting EoE out promptly, was the Tylenol with Codeine that  
I was given to kill the pain after the surgery. This  
knocked me out last night and I went to bed early without  
getting EoE typed up or even all the games adjudicated.  
Sorry, but once again the adjudications will be a day late  
in getting into the mail.

Oh yes, congratulations to Ron Brown for winning Dip-  
Con this year. I was there, took some snapshots and, if  
they turn out, will include them with a story about Dip-Con  
in Black Frog #44.

Gary Carson writes that he can no longer find the time to continue in the game. He has resigned and has ask me to find a player to replace him. AL PEARSON will then take over the French position as of F'06. Kelly Tilley has NMR'd again. He remains the Russian player as of record and if orders are submitted by him, they will be used. The Apple computer has submitted its third and final set of neutral orders for him, however, and he will no longer receive East of Eden.

.....

Fall 1906 orders will be due on Wednesday August 19th at 12:00 noon PDT. This is a rather long delay, but is being done for a variety of reasons: (1) The new French player; (2) The Canadian postal strike; (3) Scott Hanson's July vacation; (4) The GM's August vacation. I hope the long delay does not create any problems for anybody.

**DEATH**

W'05

GM corrects his errors!

There were a couple of errors in reporting F'05-- all of which were typographical errors on the part of the GM. The Russian orders should have read:

RUSS (Shufeldt) A GRE(s)A Rum-Bul; A Rum-BUL (which should help explain the annihilation of the Turkish A in Bulgaria).

Also two Fleets were mistakenly typed in as Armies by your gamemaster--Thus it is a GERMAN F in Denmark and a TURKISH F in the Black Sea.

Now for the winter builds:

ENGL (no adjustments) has: F NWN, F SKA & F NTH.  
 FRAN (no adjustments) has: F BRE, F POR, A BEL.  
 GERM Build A BER; Also has A RUH, A MUN, F DEN.  
 ITAL Build A VEN & F NAP; Also has A HOL, A PAR, A MAR, F SPA(sc), F WES, A VIE, A BUD, A SER, F AEG, F ION.  
 RUSS Build F STP(nc); Also has A GRE, A BUL, F SEV, A SWE, F NWY, F BAL, A GAL.  
 TURK (no adjustments) has: F BLA, A CON, F SMY.

.....  
 Spring 1906 orders are called for Thursday July 23rd at 12:00 noon. This will be extended if any one player asks for a delay.

AUST (J. Townsend) A Bud-RUM; A Vie-TRI; F Tri-ALB.

 FRAN (Langley) A Par-PIC; A Mar-SPA; F Bre-MAO.

 GERM (Albrecht) F Kie-DEN; A Ber-KIE; A Mun-RUH.  
 RUSS (Manuel) A War-GAL; A Mos-UKR; F Stp(sc)-GOB; F SEV-Bla.

TURK (Gallagher) A Smy-ARM; F ANK-Bla; A Con-BUL.

.....  
Fall 1901 orders are called for August 19th at 12:00 Noon, PDT. This is, I know, nearly six weeks, but an earlier deadline is impractical. I am going to be on vacation the first two weeks of August and a shorter deadline would be quite impractical at this stage of the game. I hope everybody will be able to make use of some extra time for negotiation.

Press:

ROME to VIENNA: I'm really sorry I had to move to TRO, but if you had received from me what I have received from you, wouldn't you do the same?

VENICE to MARS: You see, I always abide by my agreements: Piedmont is open.

GALICIA to RUSSIA: You of course know that if you moved here, there is war!

MOTHER GOOSE to ENGLAND: Mary, Mary, quite contrary; How does your Dip Game go? "With letters received, but none sent out, and lots of enemies all in a row."

FRANCE to ENGLAND: No news is not good news. Not hearing from you scares me. Hoping you are the same. Your friend. FRENCHIE. //If not hearing from her scares you, what is that English Fleet in the Channel going to do?//

FRENCHIE to GAME: Do only we novices have the energy and time to write?

FRENCHIE to GERMANY: Ignore the above.

FRENCHIE to POPE TRO: Are you really the Walrus? I mean like .... really? The Walrus?

FRENCHIE to RUSSIA: You met him. Does he sport big tusks and say "Ughnnghk" a lot?

FRENCHIE to GM: Well Jack, here's another fine mess you've gotten me into.

MOSCOW: Along with this dateline, the following is copyrighted by me: Russia, Czar, Bellflower, The Mighty Chamberite, Stabbing Xing and Bear. By the way, this is Dave Manuel.

RUSSIA to ITALY: Did you move to TRO?

STABBING XING to MOSCOW: I've infringed upon your copy-right; so sue me.

THE MIGHTY CHAMBERITE to MOSCOW: Me Too!!

SWEDEN to WORLD: Remember, I'm Russian. // You don't have to convince the world--only Germany. //

SWITZERLAND to ITALY: The Tension here is killing us..... did you?

ANDORRA to WORLD: Help! Help! Help!

GM to CIVIL DISORDER: Help! Help! Your press releases are terrible.

Press:

ITALY to JACK: Jane Proskin just called and said you sure  
have the "Master's touch". Was she referring to your  
diplomatic ability? //Probably not, but who can say?//

CONSTANTINOPLE: It was announced today by Hassen Ben Sober,  
the Sultan's Aide-de-camp, that Turkey has been request-  
ed by the King of Greece, now living in hiding on Cyp-  
rus, to rid Greece of the infidels from Austria-Hungary  
and to restore him as head of the Greek government, now  
in the hands of the Austrian Prince, Uris the Usurper.  
The aide-de-camp also announced that the Sultan deliber-  
ated at great length before finally acceding to the  
King's request.

VIENNA: Who are the Turks enemies indeed! Who is the  
Turk's ally? Me! I hope. //Sorry to disappoint you,  
but .....//

SEVASTOPOL to ANKARA: Who are your enemies, anyway?

RUSSIA to WORLD: Do any of you write letters? Or is the  
joke on me?

RUSSIA to BLACK JACK: Cucamonga has a winery? It must  
not be a bad place after all. I stand corrected.

CONSTANTINOPLE: In an unrelated story, the Turkish Aegean  
fleet has been forced to put to port in Athens due to  
severe gale strength storms in the Aegean. It is antic-  
ipated that the fleet will be leaving Athens at the  
first sign of clear weather. A contingent of the Turk-  
ish forces stationed in Bulgaria are lending support to  
the stricken fleet, thus speeding the repairs the fleet  
required before sailing.

BLACK JACK to GREED: It would have been nice if you guys  
had of given me just one more little bitty press re-  
lease. Then I wouldn't have had to write this to keep  
from having a blank space at the bottom of this page.
